Hylton, find attached the revised EE/CA for the Des Moines TCE site. Although there were quite a few revisions from the previous version, there are no real substantial changes. We are still hoping to get this document out for public comment by the end of the month. I will be out of the office Thursday through Monday, so if you can review and provide me any feedback by COB Monday, August 28<sup>th</sup>, it would be greatly appreciated. I should be sending the revised Final Report later today.
